# LIFE AT GRANITE CITY SENIOR HIGH SCHOOL

The warmth and companionship of friendly faces ... the boisterous commotion of crowded halls ... the thud of books hastily thrown into bulging lockers ... the reluctant acceptance of endless homework, drills, rehearsals ... determined minds set on scholastic achievement ... the sportsmanship and spirit of earnest competition ... all these are life at Granite High.

A few scholars and hundred's of average, wholesome teenage students form the multitude swarming in the halls of Granite. From the maintenance man to the concertmaster in the school band, every individual shares not only the responsibilities but also the lighthearted pleasures of time well spent. Good minds and earnest attitudes help in achieving success. While one person spends hours drawing posters, another charges down the football field in hope of a touchdown. As one coaches, another teaches; as one wrestles, another sews; as one composes, one debates — all faithful to the traditions of high merit, achievement, and friendly harmony at GCHS.

# LEARNING . . . GROWING

Through instruction, direction, and self-government we approach the goals that have been set before us.

School life includes traditional ceremonies, sports, assemblies and pep rallies, drama. These, too, will become a part of school memories.

Activities are numerous, for these are invaluable in contributing to our growth. Each of us is provided with the opportunity to devote our efforts to the activity of our choice.

In this manner our creative ideas become realities.

Through observation and investigation the *Warrior* staff gains an interesting picture of student activity in the halls of our high school. That picture is recreated within these pages.

This assignment involves many hours of work, but the pleasure of such a large task lies in the fact that we have been part of a rewarding experience.

The staff of the 1958 *Warrior* proudly presents a view of life at Granite City Senior High School.

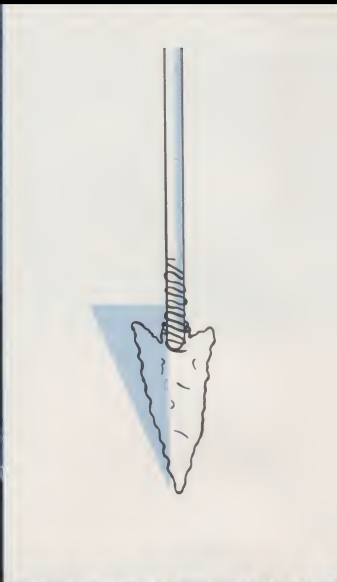

Two large, stylized arrows pointing upwards and to the right. The left arrow is light blue with a darker blue outline and a blue shadow. The right arrow is light grey with a darker grey outline and a grey shadow. Both have a coiled spring-like texture near the fletching.

# FACULTY

Classes and other activities for 1,500 students kept over seventy teachers very busy this year. Whether they were applying time and advice in producing a play, pageant, show or game, or giving friendly support from the sidelines, teachers were on hand every school day and many nights. Our teachers at Granite High have an ac-

tive interest in their students and willingly assist, counsel, and encourage each student.

The associations between students and faculty will long be remembered, and the friendships made here will be our most cherished memories of high school days.

## JANUARY, 1958

Casting a glance backward, graduating seniors recall many memories of the past three years. They remember mingled pride and envy as their classmates were chosen as members and leaders in athletic events, student government, National Honor Society, publications, and artistic endeavors such as speech, music, and painting. As underclassmen, they looked forward to their last year when they would achieve seniority in the high school. As upperclassmen, they showed warmth and intelligence in welcoming those who were new to high school life. As seniors they shared duties and responsibilities which were theirs as participants in many school activities. This class stands united, firm, and proud that they too have played their role in the ever-changing pictures of high school life.

Graduation events create a mixture of backward looks, regret, pride, gratitude, and some forward looks—a few temporarily pushed into the background as too weighty for the present, others seriously considered as rewards for future work.

As seniors, students realize that the long climb to reach senior status has been a worthy goal, one that brought with it a sense of satisfaction and a large share of happiness.

# JUNIORS

Ever looking forward to their senior year, the junior class kept busy participating in athletic events, working on publications, and enjoying school. The highlights of their year were the annual junior prom and boat excursion. Every member of the class worked diligently to make these events outstanding and memorable. This year has shown that there are many outstanding individuals in the junior class who both eagerly and effi-

ciently have maintained the honorable traditions of Granite High.

As juniors these students began to realize that the life of an upperclassman is filled with responsibilities and study as well as fun. Who could ever forget the rigors of the statewide junior testing? However, this class knows that joy and labor lead to the final goal, becoming a senior!

## SOPHOMORES

Sophomores arrived on the Granite High scene Friday, August 30, full of anticipation and eager to show their abilities and initiative. This year's class was the largest ever to enter Granite High. With the election of their class officers, they were well established and already an active part of the busy life at Granite.

There were meetings of all kinds to attend and opportunities of which they might avail themselves. Some became members of the chorus and other musical organizations; some joined the *Warrior* and *Granite High World* staffs; others took part in athletic events, speech and dramatic productions. Wherever an activity was open to them, the sophomores found fun and satisfaction in the responsibilities outside the realm of the classroom.

## ACTIVITIES

# HOMECOMING

"Granite High Heaven," the theme of Homecoming, was carried out during the week of October 7-12. The top Sophomores' skit, "Finals Are Fun," won first place. Awards for the annual cake baking contest were also presented. On Wednesday there was a pep parade, the winning car being decorated with clouds to represent heaven. The parade proceeded through downtown streets in Granite City and concluded with a pep rally at the high school football field.

The defeat of Pana, 33-0, in our homecoming game on Thursday evening really placed all Granite City High School students in "high heaven." The dance following the game was enjoyed by many.

On Friday and Saturday evenings, *Beggar On Horseback*, a comedy-murder play, was presented by the Speech Department. The crowning of the harvest queen brought the week to a dramatic climax.

## "BEGGAR ON HORSEBACK"

The homecoming play *Beggar On Horseback*, a dream play by Kaufman and Connelly, was given on October 11 and 12 with Miss Mary Blackburn as the director.

# BAND

Louis Meek, Director

One of the most active groups at Granite City High School is the band, which is directed by Mr. Louis Meek. The band does much to stimulate school spirit at football and basketball games. The two assembly programs given this year were enjoyed a great deal by the student body.

The band also played at graduation and baccalaureate services. Four concerts were presented during the school year. Soloists at the first concert were Bruce Meek, Robert Ruckrigel, and Barbara Allen. Members of the school choral groups sang at the second concert. The Coolidge Junior High School band members were guests at the third concert, and the elementary school band played at the final concert.

The band took its annual tour in the spring and presented concerts at two high schools.

## VOCAL MUSIC

The Granite City Senior High School choral music groups, under the direction of Mr. Warren Simpkins, presented many fine programs and won a large audience. These groups work to improve the voice and performance of the members and to teach them to appreciate music.

During this past season, students sang at the Rotary Club, Elks, P.T.A. meetings, graduation and baccalaureate services.

On Saturday, May 10, Mr. Simpkins accompanied a selected group to Highland, Illinois, for the annual high school choral festival. A group went to the Jefferson Hotel in St. Louis to sing for the Illinois Business Education Association.

The a cappella choir sang on "Coffee Break," a KTVI program on November 13, and the following day on "Look, Listen, and Learn," which was presented over KWK.

A highlight of the season was the operetta given March 27 and 28. On Friday, April 18, members of the vocal department left for Chicago. They presented a program at Villa Grove High School.

The accompanists for the past year were Sharon Crowcroft, Don Bloomquist, Phyllis Stout, Sue Johnson, Elayne Schuman, and Barbara Horn.

Retiring Queen Betty Hoffma crowns the 1957 May Queen Peggy Wallace.

Gorgeous gowns, a beautiful stage setting, and an appreciative audience made May Day 1957 a fabulously lovely pageant. The throne, decorated with silver and gold, could not have been more appropriate for a queen to occupy. The groups of performers, the high school band, and the master of ceremonies seemed well prepared for their approaching responsibilities.

"All in the Abstract," a colorful, modernistic program, was presented by the Physical Education Department in a series of routines introduced by the two artists on their easels.

The traditional May pole dance broke the magic spell that had been so skillfully woven. The crowning of the 1957 May Queen brought the evening to a dramatic climax.

At Christmas time, slipper socks for men and pixie socks for women were sent to the Madison Nursing Home. More recreational equipment was also sent to Scott Air Force Base.

Council members decorated the Christmas tree at the local office during the holidays. They also helped in the membership drive. When their services were needed, the council members willingly worked in the Tri-City Red Cross office and other areas as well.

Preparing daily papers for student reading

Students who unselfishly volunteer for work groups are vivid examples of school spirit and loyalty in action. Among these busy students are those who usher at school activities, assist in the library, deans' office and the principal's office.

These assistants, who place service to their school above their own personal convenience, are gaining valuable experience and at the same time making an important contribution to Granite High.

## THE RED PEPPERS

The purpose of the Pep Club is to foster and perpetuate good sportsmanship and to encourage good cheering at all sports events. By sponsoring busses to out-of-town games and by having pep rallies, the group has endeavored to improve school spirit.

This year the Pep Club has been given the name of "The Red Peppers." Miss Barbara Kerch and Mr. Richard Yates are the sponsors.

# CHEERLEADERS

Pep personified are the members of the Granite City cheerleading squad. The fifteen girls that form the Varsity and Junior Varsity squads find that the job of being a cheerleader is not all glamour. Hours of practice go into the perfection of just on cheer so that it may be presented at a Pep Assembly. But the cheerleaders receive their reward from the satisfaction that they have contributed to the morale of the team and the enthusiasm aroused in the fans.

Much work and encouragement was given to the cheerleaders by their sponsor, Miss Barbara Kerch.

## CROSS-COUNTRY

Although heavily affected by spells of sickness, Coach Dick Harmon's Warriors had a good season. With a group of sophomores who showed real determination to earn a place on the team and the older and experienced Warriors adding strength to keep their positions the Cross-Country team piled up points for Granite High.

Led in the field by Captain Duane Goode, the Warriors placed in several important tournaments. Duane Goode was considered the top runner for Coach Harmon and was closely followed by Jack Haug and Don Davidson.

Graduating seniors are John Doroghazi, Jack Haug and Don Davidson and Richard Luebbert.

The young warriors of Coach Keith Parker had one of their best seasons, defensively and offensively, but the final score was always against them. The team was crippled badly during the middle of the season because of the Asiatic influenza and the loss of several boys due to injuries. The outstanding game of the year was the Granite City—Pana homecoming game. Granite City was the victor by a score of 33—0.

Robert Mitchell was the outstanding back on the Warrior team, and Richard Ruppel was the outstanding lineman. Guard Tom Sparks was chosen a member of the all-conference football team. The captains chosen for next year's squad were Fay Stagner and Roy Logan.

The Sophomore Football team, coached by William Schmitt and Richard Yates, had a very successful and exciting season with six wins, one loss, and one tie game. With its ranks constantly being broken by boys moving to the varsity, the sophomore team showed its depth in being able to readily fill the gaps. Such developing athletes as Mike Trgovich, Harold Ellis, and Ed Zengal helped to give the team its record for the year. The young Warrior's line was the best in the conference.

## WRESTLING

Coach William Schmitt's wrestling team, runner up to the state champions in 1957, have enjoyed one of their finest years on the mat. With state champion George Nemeth and Pat Cline as co-captains, the team had one of the strongest squads in the state. Although hampered by graduation, Coach Schmitt has plugged the gap well by shifting his men into the various weight groups to give a winning combination. Those boys who went to state in 1957 and returned for the 1958 season were Captains George Nemeth and Pat Cline, Gordon Hunter, Mike Trgovich, and Tom Sparks.

For the first time in the history of wrestling in the St. Louis area Granite City High School held an invitational Frosh-Soph tournament. This tournament was won by Granite City.

When the Warrior basketball team came onto the hardwood at the beginning of the season, the fans were skeptical but soon became optimistic. Hampered heavily by the loss of the first five due to graduation, Coach Dick Harmon put together an inexperienced and extremely short team.

Highlights of the season included the victory over Alton, 66-61, in an overtime period. The victory required sharp shooting from the field and the free throw line as well as good floor performance.

A much acclaimed victory was given the Warriors after defeating the tall University City Indians, who were considered one of the best teams in the

state of Missouri. Another important win was over Edwardsville. In an overtime period the Warrior sophomore, Carl Wortham, shot the winning basket for a final score of 66-64.

Richard Williams, a sophomore and transfer student from Madison, lead the Southwestern conference in point scoring with a 12-game total of 262 points for an average of 21.8 points per game.

The Warrior team closed the regular season with 6-17 record. Fans are looking forward to a good season next year with only the loss through graduation of Richard Wade, a senior.

# TRACK

Having the most outstanding record in many years, the track team, coached by Jack Richardson, completely dominated conference meets during the season. Hampered by mud and inclement weather, the small Warrior team proved that they could beat the toughest competition. Unbeaten in dual and triangular meets, for the first time the Warriors won the coveted Southwestern Conference Relays. The Warriors outpointed East St. Louis, the champions for ten successive years. Showing their power to the St. Louis area teams, the track squad won the Maplewood Relays, coming from behind to beat favored Principia Academy.

At the Normal Illinois Relays, the Granite squad placed third among the top 80 track teams in the state. Led in the field by Co-captains Ralph Craycraft and Joe Schroeder, the Warriors placed six boys in the state meet. These six boys were Tom Skubish, Harry Basan, Ralph Craycraft, John Michaels, Cleon Statton, and Joe Schroeder.

Practice before Madison game

The spring, 1957, Granite City High baseball squad overcame the handicaps of injuries and bad weather to post a respectable record of ten wins, eight losses, and one tie. Inclement weather forced the cancellation of fourteen games and hampered the development of the team. Coach Al Lewis, assisted by Joe Fedora, rated the 1957 diamond boys favorably with the 1955 and 1956 teams which won 21 and 19 games respectively.

Individual honors were given to Joe Linhart, most valuable player; Jim O'Master, best clutch hitter; Bob Mitchell, Joe Linhart, and Mike Schuler, most improved players.

Jim O'Master was the leading hitter with an average of .405. Leading hurlers were Ranney Rich, Jack Buente, and Walter Padgett. Graduating seniors were Ray Werths, Jim O'Master, Joe Linhart, Bob Mitchell. Ronald Spengler, Jack Roberts, and Edward Lenzi.

# TENNIS

With the winning of ten meets and the losing of only three, the Granite High tennis team, coached by Dick Harmon, had a very successful season. This record placed Granite second in the Southwestern Conference. The gaps left by graduating seniors were readily filled by Gary Eberhardt, Barry Jeffers, and Mike Rusick. Harry Serfas was the 1958 tennis captain.
